Little Jules

Jules had sneakers.
Jules had dreams.
Jules had zips
and ziggy zoom
premes.

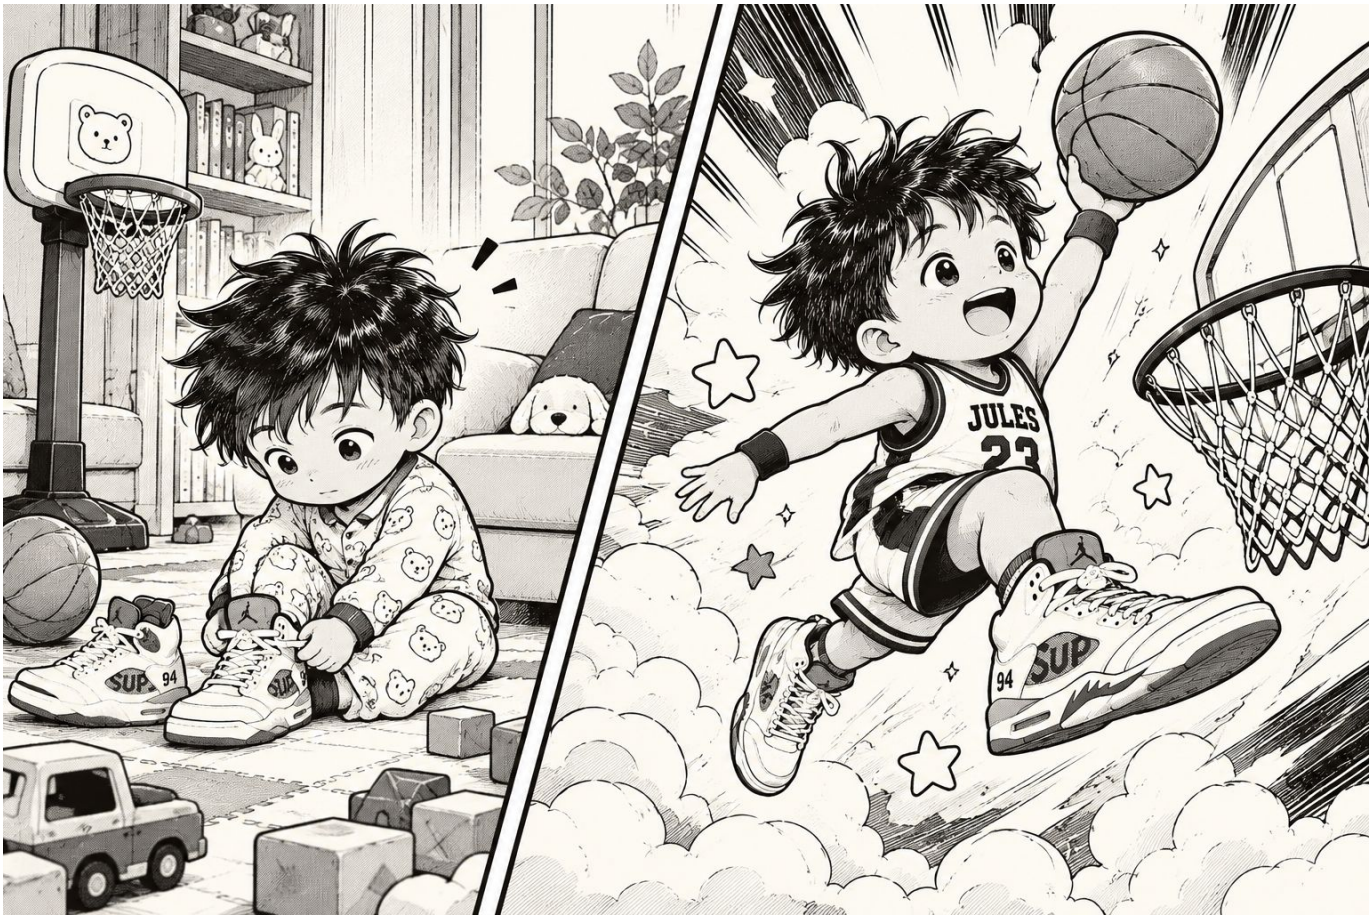

He bounced the ball.
Boop! Bop! Bin!
He loved to run.
He loved to spin.
He dreamed one day
that he would win!

Playing at Home

He sat.
He watched.
He waited more.
His sneakers squeaked
upon the floor.

The minutes ticked
the crowd grew loud.
Jules dreamed of flying
through a cloud.

Jules Dreams of Being a HOOPER

He waited long
he held on tight.
He dreamed of dribbles
every night.

He wished to grow
so big and tall.
He dreamed he'd fly
above them all.

To grow so strong
to grip it tight
then DUNK that ball
OH, WHAT A SIGHT!

Coach Bird

Then one night
in his dreams
Coach Bird swooped in
and called his name.

"JULES!" chirped Coach.
"DRIBBLE! DRIBBLE!
GO, GO, GO!"

Jules blinked once.
Jules blinked twice.

He leapt to his feet
"LET'S GO!" he cried!

JULES!
DRIBBLE! DRIBBLE!
GO, GO, GO!

Jules took his shot
he couldn't miss.

SWOOSH! went the ball.

Heating Up

One good play
Then one more too.
LEFT foot! RIGHT foot!
A sneaky scoot-through!

"WHO is that kid?!"

"He's got aura! He's got
rizz!"

"That kid's amazing
whoever he is!"

One bucket! Two bucket!
Three buckets! FOUR!

The crowd cried out,
"JULES! WE WANT MORE!"

His grin grew wide.
His doubts grew small.

"I CAN DO THIS!
I CAN PLAY BALL!"

Jayce the Ace

Then came Jayce
so BIG and WIDE!

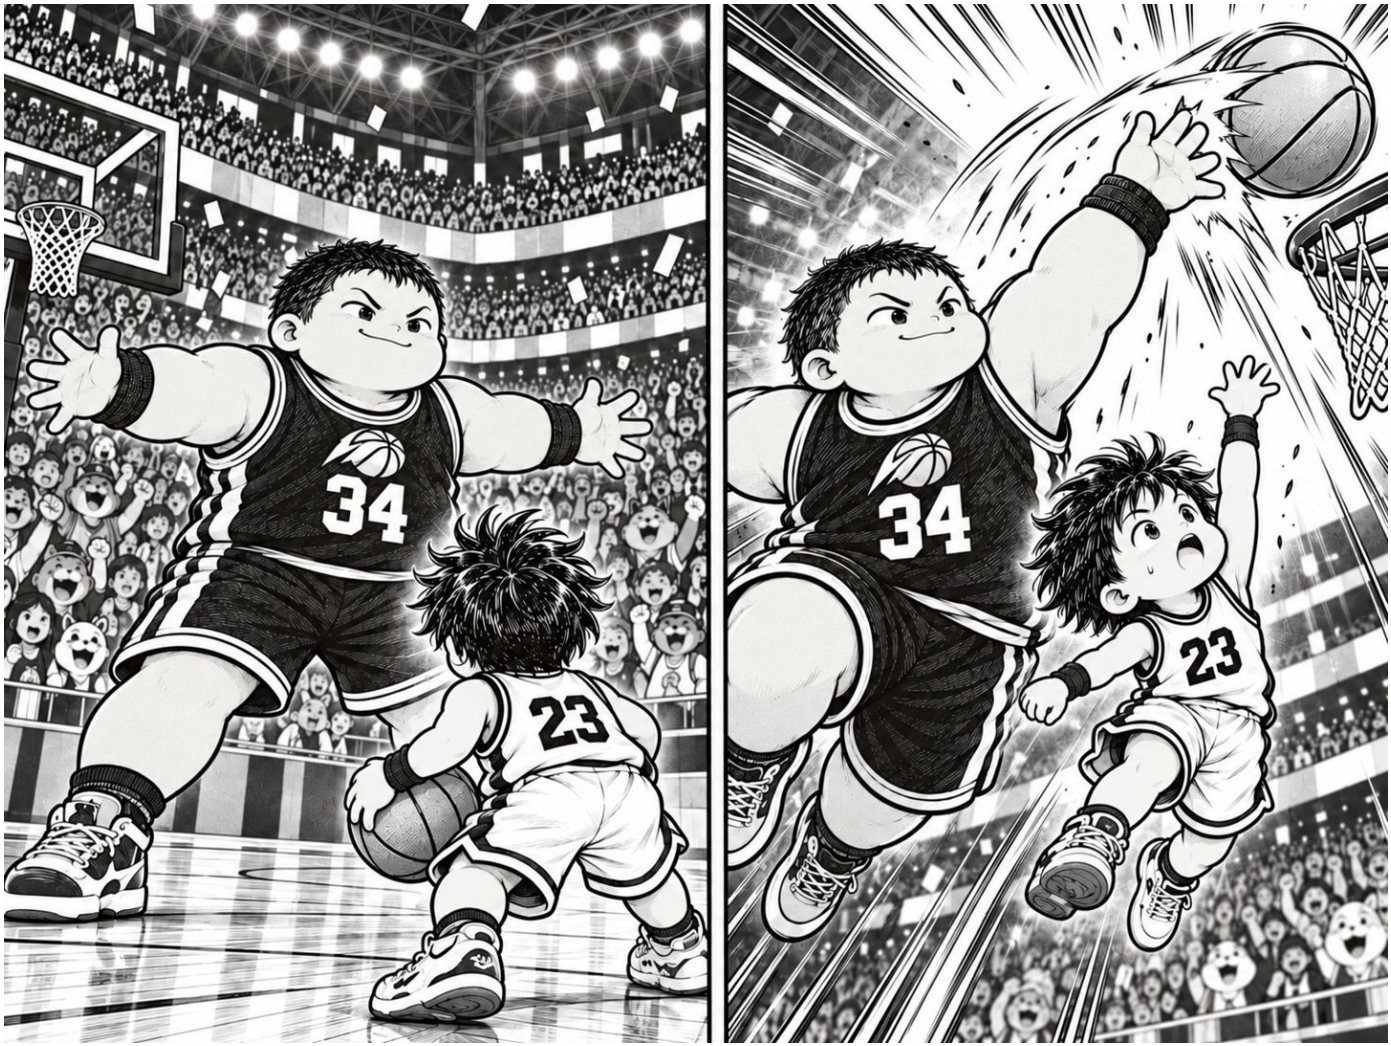

With giant arms
from side to side.

Jules shot the ball
BAM! Jayce blocked!

"NO, NO, NO!
Not on my watch!"

"He's big," thought Jules.
"He's strong, that's true.

But I am FAST.
I've got moves too!"

The Big JAM

Jayce grabbed the ball.
He charged with a BAM!

He leapt up high
KABOOM! KER-SLAM!

He flexed his arms
and struck a pose.

Then winked at Jules
“TOO SMALL!” oh noes!

The score was tied.
Tick-tock, tick-tock
one final shot.

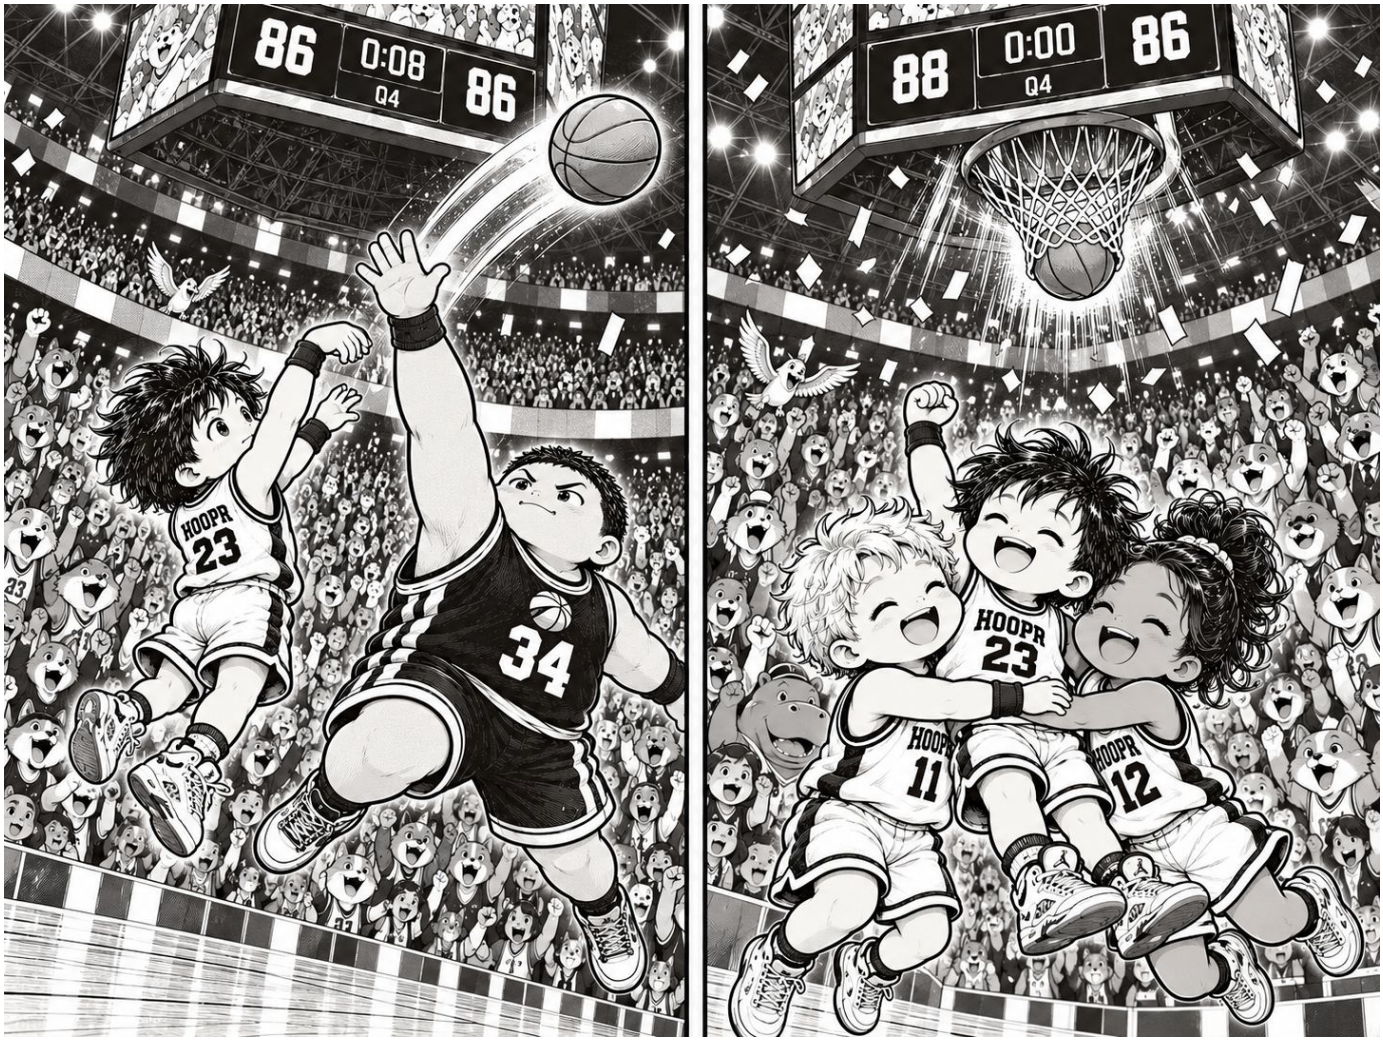

Jayce reached high
but Jules slipped on by.

Past his hands
Past the sky

Tick…
Tock…

SWISH!
OH MY!

Jules made magic!
Right before their eyes.

The crowd cried
"JULES! JULES! JULES!"

They stomped their feet
and shook the stools.

They danced so hard.
They clapped so neatly.

"JULESANITY!"
they shouted sweetly.

Jules Wakes Up

A brand-new day
Jules blinked awake
the dream flew away.

His grin grew wide
filled with pride.

So if you're small
or quiet too
a giant dream
can still fit you.

Try one more time.
Get up if you fall.

Big dreams can start
with one little ball.
